

# you agreed. now make it **official.**

An agreement, however carefully reached, binds neither of you. A property claim stays open until a court seals orders. Superannuation cannot be split by agreement alone. The stamp duty concession on transferring the home usually depends on formal orders.

---

## WHAT THE TOOL DOES

It completes the Court's own forms — the Application for Consent Orders and the Minute of Consent Orders — from plain questions, checks the arithmetic the way a Registrar checks it, and stops rather than guessing if something does not add up.

## WHAT IT DOES NOT DO

It does not suggest a division, does not tell you whether yours is fair, and does not give legal advice. You made the decisions. It writes them down properly.
