

your mediator gave you a **file**.

Everything the two of you agreed is already in it. Open it at thelaststep.com.au and the tool fills the Court's forms from what you settled in the room. You answer what is left — your details, the children, the questions a mediation does not cover.

WHAT TO DO

01 Find the file

It ends in **.mediation** and is named after the two of you. Your mediator emailed it or put it on a USB stick.

02 Go to thelaststep.com.au and start

Free to work through. You only pay at the end, once every check has passed.

03 Choose “load save file”

Pick the file your mediator gave you. What you agreed is already filled in.

04 Fill in the rest, and check it together

The tool marks anything missing. The other one of you reviews every item from their own device.

05 Sign, print and file

You get the Court's forms, filled and checked, with instructions for filing them.
